Subject: (INFORM) Cultural Observance Guidance

Leaders,

Our unity and purpose are instrumental to meeting the Department's warfighting mission. Efforts to divide the force – to put one group ahead of another – erode camaraderie and threaten mission execution.

Going forward, DoD Components and Military Departments will not use official resources, to include man-hours, to host celebrations or events related to cultural awareness months, such as Asian American and Pacific Islander Heritage Month. Service members and civilians remain permitted to attend these events in an unofficial capacity outside of duty hours.

Installations, units, and offices are encouraged to celebrate the valor and success of military heroes of all races, genders, and backgrounds as we restore our warrior culture and ethos. We are proud of our warriors and their history, but we will focus on the character of their service instead of their immutable characteristics.

This guidance is effectively immediately.

I thank you and your teams for your quick and decisive efforts to ensure that we comply with the President's directives.

Thanks

Darin
